The aisles of the exhibition hall will be carpeted. Exhibitors can access the SE Petro Store through the Map Your Show Exhibitor Resource Center when it opens on November 1. Electrical service should also be ordered through the Checklist in your Exhibitor Resource Center. If you do not have your Map Your Show login information, please contact **Shannon Cox** at scox@ncpcm.org.

Will there be a list of attendees available?

Exhibitors who would like a list of individuals who visited their booth must use the lead retrieval system provided by Show Data Solutions. Exhibitors will also have the opportunity to send an email to all attendees before and after the trade show.
